

Australian Frameless Glass Installations

ABN 27 608 041 070

Bespoke Glass Staircase

Australian Frameless Glass Installations (AFGI) specialises in the designing, planning and installation of inspiring frameless glass products from balustrades to pool fencing, splashbacks to showerscreens and even custom 'one-off' projects.

Frameless Glass Balustrade

We work closely with residential and commercial builders, designers, engineers and architects to provide superior glass products that are tailor made for each project.

Frameless Glass Showerscreen

Glass Brackets

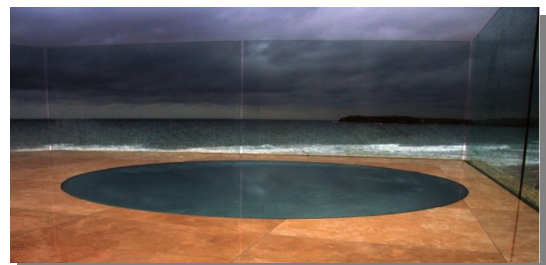

Bracket Pool Fence

Whether it be clear or tinted glass, 'low E' glass, coloured, laminated, sandblasted, slumped, toughened or custom glass AFGI can provide the right product to suit your project.

Custom Hinges

Custom Glass Walk-Over Panel

AFGI utilises a range of reputable suppliers to bring together 'Australian Made' glass and the best possible hardware to ensure a superior quality finish for your project.

Kitchen Splashback

Mirrors

Colourback Glass
